

# QuotePro Kiosk for Auto Dealers

Meet your new cashier! The multilingual QuotePro Kiosk serves as a standalone payment center that makes it easy to accept cash, checks, credit and debit cards while reducing collection losses and staffing costs. Employees never touch cash again.

QuotePro Kiosk is your brand ambassador and financial services center for your cash-preferred customers.

**“Our QuotePro Kiosk produces an average savings of 1,000 staffing hours per month.”**
